WBS CODE CLUB

We would like to announce a new Code Club. It is largely for KS3, but KS4 students interested in learning to program in Python are welcome. It happens in room 101 (Mr Darke's room) on Thursdays straight after school until 4.30. Book on via Arbor. Our Computer Science teachers will get members started, but then you can work at your own pace through the projects, asking for help if you need it. Sometimes there will be sweets. Eventually there will be badges!

WBS ART CLUB

There will be no Wednesday after-school Art Club before half-term. Art Club will commence again February 21st.

Expeditions: Bronze and Silver

The deadline for signing up to do the expedition section with school was 7th January 2024 and has now closed.

There will be a parents information session on Teams before the expedition training in March. Final details have been emailed to parents.

Awards achieved

Well done to all the participants who have been working hard to complete their DofE Awards. If you have put evidence on eDofE it will be reviewed by Miss McCombie before your Award can be sent for verification. Once verified we will then print and distribute certificates. If you haven't heard anything about your Award please check your emails, as if we find any issues you will be emailed telling you how to rectify the problem.

Completing DofE Awards

The expedition section is only one quarter of a DofE Award. In order to complete their Award, participants must also complete volunteering, physical activity and learning a skill. Each section must have a report written by an assessor at the end of timescale, which must then be uploaded to the participants eDofE account. If participants are having any problems with completing their Award, please contact Miss McCombie.

If a participant is struggling to find suitable activities for their programme, many ideas can be found at www.dofe.org/dofewithadifference/activities

Please remember that program plans need to be entered into eDofE for approval before starting the activity. Once the required time has passed, assessors need to write an assessor report which needs to be uploaded as evidence to eDofE. This can be done at www.dofe.org/assessor

eDofE App

Participants can access their eDofE account via the DofE App. Participants can now set their activities, record evidence and submit programmes for approval at any time, no matter where they are. The DofE App is currently available for participants to download on Android and iOS. You can download the App by going to the Google Play Store or Apple App Store and searching 'The Duke of Edinburgh's Award'.

Open expeditions

If your child is unable to attend the school organised expeditions, then they can join an open expedition run by an Approved Activity Provider (AAP). School uses Chase Training Solutions as their AAP, and the dates of their open expeditions can be found on their website here
